

SOUTHWEST DESERT SAGE-GROUSE LOCAL WORKING GROUP MEETING

- What:** Informational and working meeting on sage-grouse conservation issues sponsored by the Beaver and Iron County Extensions, Utah State University
- Why:** Population declines across the west and **a potential listing under the Endangered Species Act (hear the latest U.S. Fish & Wildlife Service finding on this issue!)**
- When:** Wednesday, June 16th, 7:30 pm
- Where:** Iron County Courthouse
68 South 100 East
Parowan, UT

This is a public meeting at which we will discuss what local landowners and public can do to help prevent sage-grouse from being listed as an endangered species. There will be representatives from the Utah State University-Extension, Utah Division of Wildlife Resources and Bureau of Land Management at the meeting to hear your concerns and answer questions.

If you have questions contact;
Mark Nelson, Beaver County Extension at **435-438-6450**
Todd Black, Utah State University Extension at **435-770-9302**
Chad Reid, Iron County Extension at **435-586-8132**
Becky Bonebrake, Cedar City BLM at **435-865-3087**
